

# 1. BOLZ-WM of Women

**01. to 03. July 2011**

**what's it about:**

We invite you all to the first Bolz Women's World Cup hosted by FSC Dynamo Windrad. The Bolz World Cup has been hosted since 1986 as a free-time football tournament for teams from all over the world, paralleling the FIFA men's World Cup. We are finally proud to offer our first ever Bolz Women's World Cup!

**but that's not all:**

Our 2 day Bolz World Cup will correspond with the actual FIFA Women's World Cup finals. But that's only part of the fun – a diverse cultural program will also be offered, along with opening and closing parties, and all games of the FIFA World Cup being shown on a big screen projection.

**who can play:**

We welcome any women's free-time football groups, whether you've been together for years or came together spontaneously, whether you play for women's or mixed teams, and regardless if you play for a club or not. For women who wish to participate but do not have a team to join, no problem – there is a player exchange system to play on existing teams.

**the order of events:**

The BOLZ World Cup will begin on Friday, July 1<sup>st</sup> with the group drawings. On Saturday, July 2<sup>nd</sup>, the games begin! The final round will be played on Sunday, with all games being played out. Of course, there will be a closing ceremony on Sunday with all teams being honored.

**how it's going to be played:**

We will play on small fields with 5 players and 1 goalie. The goals are about 4,50 meters wide (a little bigger as handball goals). There are no off sides or pass-back rules. Games last 2 x 20 minutes with unlimited subbing. You are encouraged to bring some fans!

**accommodation:**

There are opportunities to camp as well as accommodation opportunities for all female and male participants that play on the Waldauer Wiesen.

**registration:**

Interested teams need to submit their application and a short bio by May 20<sup>th</sup>, 2011 to the office of Dynamo Windrad. Creativity in your application is encouraged and there are no limits to your imagination! The cost is 100 Euros, with the purpose of the registration fee to help the travel costs of the international teams.
